

# Geoff Welch Bio

---

Geoff Welch is on a mission to help profitable small business owners overcome overwhelm and make their businesses work for them.

His signature 5D Framework is the foundation for the 1-1 coaching that is helping owners across the US take the power back from small businesses that have taken over their lives.

An award winning small business leader with nearly 20-years at the helm of his own small business, Geoff's insights have been recognized by local and national organizations and featured in his TEDx talk. Heck, best-selling author, Simon Sinek, shared his work.

Geoff is a Yankee fan, drummer, and life-long Alaskan who shares his cozy home in the frozen north with his wife, teenage daughter, and 3-legged Boston Terrier.
