Title: Your Business is not your boss

Genre: Small Business

Frequency: Weekly on Sunday nights

Available on Apple Podcast, Spotify, iHeart Podcasts, Amazon Podcasts

Description

Your Business Is Not Your Boss is a resource for profitable small business owners who want to overcome overwhelm and make their business work for them. Covering topics like building systems, documenting processes, effective delegation, and healthy mindsets, each episode is aimed at helping small business owners redefine their relationship with their business so that it serves their needs, instead of the other way around.
